

Students save money by purchasing this bundle which includes Probability and Statistics for Engineering and the Sciences, 8th Edition with Enhanced WebAssign - Start Smart Guide for Students and access to Enhanced WebAssign Homework with eBook for Single-Term Math and Science via Printed Access Card. This access is for the General Intro Statistics or Statistics for Engineers courses only as using with a different course may cause complications with access. Enhanced WebAssign engages you with immediate feedback, rich tutorial content, and an interactive, fully customizable eBook, Cengage YouBook helping you to develop a deeper conceptual understanding of your subject matter. This access code includes access to Enhanced WebAssign and life-of-edition access to the eBook for the registered edition of that text. If you need to retake the course and your instructor is using the same book AND edition then you will not need to buy a new code.
